

Dr. Opel To Speak At Club Meeting

The Suburban Garden Club of Cheshire will be holding their monthly meeting on Wednesday, Oct. 15. This month's speaker will be Dr. Matthew Opel, president of the Connecticut Cactus and Succulent Society and Horticulturist at UConn's Ecology and Evolutionary Biology Greenhouse.

Dr. Opel will be presenting a program on cacti and succulents that can be grown on windowsills and will introduce attendees to a wide variety of desert plants that

will thrive indoors in New England.

There is a suggested donation of a \$5 for non-members. Refreshments begin at 7 p.m. and the program begins at 7:30 p.m. The designs will be given out as door prizes during the program.

All meetings are held at the Cheshire Senior Center, 240 Maple Ave. New members are welcome to join at anytime.

Contact Membership Chairperson Mary Sullivan with any questions at (203) 881-1620.
